# CALL FOR PAPERS

## International Journal of Excellence in Healthcare Management (IJEHM)

The International Journal of Excellence in Healthcare Management is in line with the scope of the journal; "...to be a platform for understanding issues related to quality in Healthcare Management and act as an international forum for the exchange of global thoughts and practices regarding excellence in healthcare".

The aim is to enhance the visibility of the IJEHM in the global healthcare management academic publishing sector, and to attract quality manuscripts, particularly from contributors outside of the United Arab Emirates.

### TOPICS

The range of topics covered is very wide given the nature of operations in this sector. An indicative list includes:

- Topics in Healthcare Management
- Public Health Interventions and Innovations
- Health Metrics and Big Data Analysis
- Community health
- Health Policy
- Health services delivery
- Health education
- Health protection
- Health economics
- Medical ethics
- Equity in Health
- Healthcare Performance and accountability
- Healthcare Quality and Accreditation
- Quality aspects of nursing and patient care
- Health workforce

**IJEHM is inviting papers for the next volume which is scheduled to be published in 2020.**
